Dedication

Gratefully we dedicate the 1960 Panther to Mr. Jack Arbogast for his devotion to the students in his classes and for his undying concern for sports in Victoria High School. When he came here, we were making little progress in basketball. Through his superior coaching and his example of fair play and good sportsmanship, he coached our team to be District III champions and gave us a chance to go to the state tournament. In the classroom he has shown great care and concern for his students. His respect for the students' opinions and feelings has led to his being one of the b e s t l i k e d teachers in this school. Proudly we dedicate this annual to him.

In Memory of

Arnim McDermott

The LORD is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

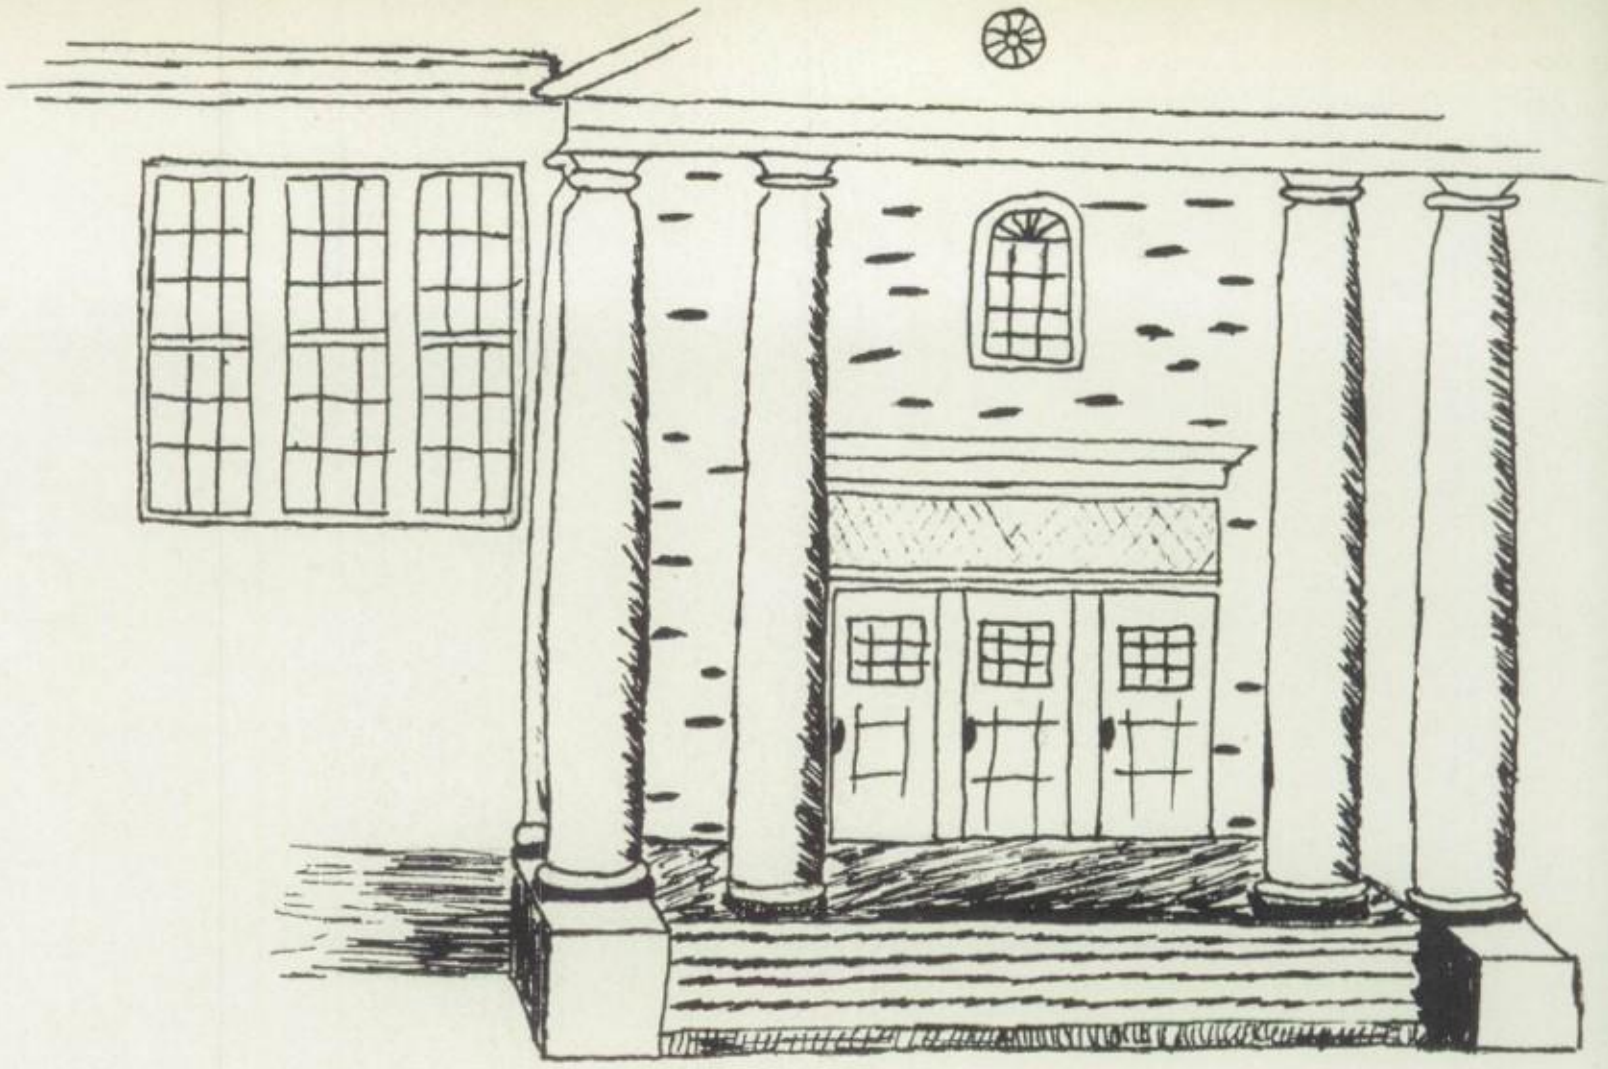
He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Robert Bishop

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil: my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever.



Yes, our experiences
at U.H.S. will
always be fondly
remembered.

"Cancer-Detection and Treatment" the V. H. S. Science Club's 1959-1960 project, was designed to instruct the student body of Victoria High School and the citizens of the community of the danger of cancer.

To accomplish this task, we showed films, presented lectures in classrooms and at assemblies, made field trips and set up window displays.

In competition, the club at Junior Science Day, placed second in the Piedmont District. At the Virginia Academy of Science Meeting we were awarded, through outstanding club work, a three hundred dollar scholarship for our club sponsor. Mr. Layne attended the summer session of the College of William & Mary.

The club has achieved its goal this year, and all members should be proud of their efforts.

History Of The Class Of 1960

On September 4, 1956, the class of 1960 was born. It was then that she began her long, hard, grueling, and occasionally happy journey through high school. She began her trip as a quiet, innocent, well-behaved group.

As she entered her sophomore year, she began her fight for recognition. Her students began to see the advantages of a co-educational school system, as she started in on dating. It was at that time that her slow but sure death began. By her junior year she was well on her way. She gave many glorious things to old "VHS" such as a wonderful prom and banquet. As she entered her senior year, her downfall was certain. Aided by too many late hours, too much homework, not enough necessary food or sleep, too many long classes, and the lack of sufficient vacations and trips, she died on May 23, 1960. Services will be held at 8:00 p.m. on June 7, 1960. She is survived by a striving and fairly intelligent junior class, an indifferent sophomore class, and a restless, immature freshman class, and a smirking eighth grade class. We know that she will be greatly missed and often thought of.

Last Will and Testament

SENIOR CLASS OF 1960

We, the Senior Class of 1960, town of Victoria, district of Plymouth, county of Lunenburg, state of Virginia, all being in the United States, on the planet Earth, and in the solar system of the Sun, being of sound mind, body, and soul, we hope, do hereby make, publish, and solemnly declare this to be our last will and testament, and thereby making void any will or wills heretofore made by us.

First, to our loyal and devoted faculty we bequeath our sincere appreciation for putting up with us because we know it was a difficult task.

Second, to our faithful subject, our principal, Mr. William R. Button, Jr., we bequeath our deepest sympathy and sincere hope that he will survive the shock of our leaving.

Third, to our Senior Class Sponsor, Miss Bernice Copley, we bequeath our cooperation, which she badly needed but didn't get while we were here.

Fourth, to our devoted and faithful Senior parents, Mrs. Dot Sue Epperson and Mr. Fred Graber, we bequeath our deepest appreciation for their putting up with us on our Senior trips, for we know it was quite a nervous strain, and also for the picnic that we haven't gotten, yet!

Fifth, to the Junior Class Sponsors, Miss Mildred Shaw and Mr. Ernest Still, we bequeath our sincere appreciation for working with the Junior Class and practically driving them to give us the delicious banquet and wonderful prom.

Sixth, to the Senior Class of 1961, we bequeath them the ability to take our place, which probably they won't be able to do.

Seventh, to the Junior Class of 1961, we bequeath a book on "How to Make Money, The Easy Way" by Al Capone because they will certainly need a lot of money to give a banquet to the big eaters in the large Senior class.

Eighth, to the Sophomore Class of 1961, we bequeath all of our puppy loves because we are outgrowing them and moving on to the next step.

Ninth, to the Freshman Class of 1961, we bequeath our dignity, our superb intelligence, our poise and all our other superior qualities so that in four years when they become seniors they may be halfway able to take our place.

Tenth, we bequeath the following treasured wills to the friends that we leave behind at VHS:

1. I, Shirley Dunnavent, will my good times and wonderful memories of VHS to Sandra, Betty, and Beth.
2. I, Tommy Ward, will to Bonnie Nelson my English research theme, note cards and all, so that during March of next year she can write to me at college instead of doing all that ghastly reading and work. Please don't anyone tell Mrs. Wellons.
3. We, Nancy Epperson and Howard Whitlow, will our place under the Senior tree to Elizabeth and Billy with the condition that they only use it when they are quarreling, because we only used it when we were fighting. We stayed there most of the time.
4. I, Jeanette Pendergrass, will to Anne Hart Elder the fun I had working at the Farmville Hospital, providing that she doesn't fall for any of those lines handed out by the good looking male patients.
5. I, Darryl Rhodes, will to the eighth graders my ability to keep my mouth shut and my hands to myself.
6. I, Janet Duncan, will to Donnie Mattox a pack of typing paper and a pencil so that he'll never have to steal any again.
7. I, Jessie Mae Lovern, will my ability to win a hundred dollars and not be there to collect it to Johnnie Daniels.
8. I, Herbert Gilmer, will to Everett Gee my extreme height (5'4") to use on the basketball court, and hope he puts it to as good use as I did.
9. I, Carol Lenz, will my southern accent to Anne Cordle.
10. I, Hannah Rea Graber, will to Sandra Lee Yeatts my long peroxided hair along with my good "understanding."
11. We, Mickey Magnusson and Hugh Wallace, leave to anyone that can get away with it, our ability to tell jokes in all Beta Club assemblies.
12. I, Bonnie Underwood, (as soon as I can think of something) will leave it to Ryland Hamlett, who helped me get through algebra II.
13. I, Eugene Overton, will leave wishing I could take Betty Kay with me.
14. I, Nancy Marshall, will to Mr. Still's study hall, earmuffs, especially to Donnie Mattox, Wade Smithson, Nickey Wrenn, and Mr. Still. This is so they won't have to listen to the one and only great singer - Lynn Slayton.
15. I, Lynn Adams, will my mountain climbing ability to Frederick Seward in case they go to the mountains next year on their Senior trip.
16. I, Charlotte Ann Underwood, will to Elizabeth Ann Clarke, a darling picture I have of Billy in his track outfit.
17. We, Aubrey Tisdale, and William Ellis, will or leave to "Freddie" Seward a few pounds of our undesirable weight so that he may fulfill his ambition to be large enough to play football his senior year.
18. I, Mickey Baugh, will to Peter Rabbit Burnette my football jersey, number seventeen, if he can fill it up.
19. I, Jewel Adams, will my ability to have a June wedding to any Junior who wants it.
20. I, Vandy Amos, will to Tommy Eggleston my ability to act like a fool and look nonchalant because he sadly needs it.
21. I, Maynard Thompson, leave to James Davis my ability to aggravate Miss Shaw and still pass history.
22. I, Wayne Epperson, will to Randy Thompson my mathematical brain so that he will be a whiz in algebra next year.
23. I, Campbell Hardy, will my seat behind the sheriff's car to Mickey Shelton with high hopes that he will get away with as much as I have.
24. I, Jimmie Fourqurean, leave to Donnie Mattox and Wade Smithson a Duke Ellington record and a page number 1008 torn from Webster's Collegiate Dictionary with the definition of the word "swing" underlined.
25. I, Janie Tolley, will to Beth Gills my ability not to spy on her and Melvyn when they come home from dates and also any pointers that she may have received from watching me.
26. I, Melvyn Fowler, leave to Sandra Millican and Nickey Wrenn, Beth's and my secluded seats in the back corner of the Senior homeroom provided they will use them for the same purpose Beth and I have.
27. I, Franklin Hanks, will to Billy Wellons my ability to make one extra point in football in two years of high school.
28. I, Cary Estes, will Polly's and my special place behind the water fountain to Randy and Alice providing they use it as wisely as we did.
29. I, Edward Wallace, will to Jimmie Wrigglesworth my ability to pass a history test with Miss Shaw standing right beside me.
30. I, Gloria Townsend, will to Polly Watts my life time rights to visit "cabbage patch" providing she never disturbs the rabbits.
31. I, Emmitt Williams, will my ability to understand Jimmie Fourqurean's explanations and comments on conversation to anyone in the Junior Class who needs it, because if you can understand him, you can understand anybody and anything.
32. I, Wilkie Chaffin, will my ability to be photographer for the annual staff and not take any pictures to anyone in the Junior Class who wants the position and doesn't want to do any work.
33. I, Reginald Dix, will my loud mouth and the appearance of being quiet to Earl Wallace so that he will get along with the teachers better.
34. I, Nancy Bigger, will to Ann Baugh and Joyce Townsend my ability to shop at the A & P in Chase City, and always get high quality products and speedy service especially at the third cash register.

In Witness Whereof, I, Howard L. Whitlow, the testator, have set my hand and seal hereto this twenty-third day of May in the year of our Lord one thousand nine hundred and sixty.

Signed

Howard L. Whitlow

The foregoing instrument was in our presence signed and sealed by the said testator, at the end thereof, and by him published and declared as and for the last will of the Senior Class of 1960, and at their request and in his presence and the presence of one another, we hereunto subscribe our names as attesting witnesses, at Victoria, Virginia on May 23, 1960.

Class Prophecy

Time: June 7, 1980

Place: Victoria High School

Well, the 1960 Senior Class' reunion is all over. It was a very enjoyable evening seeing friends we hadn't seen in years and reminiscing over happy events of twenty years ago. Yes, everyone was present - all 37 of us, and each one had changed. Each had made his place in life. Suppose I tell you what each person is doing now, twenty years after our graduation day.

Cary Estes is slowly but surely becoming famous. He spent the past six weeks in the hospital recovering from a state of shock received when being pursued by a mob of hysterical women.

Emmitt Williams, star of the Washington Redskins, has just had his name added to the "Football Hall of Fame".

Wilkie Chaffin, the great scientist, is still working on his theory of how to can sunshine for use on rainy days.

William Ellis and Aubrey Tisdale are now married, but not to each other. They are partners, however, in the largest dairy farm in Virginia.

Jessie Mae Lovern, now wife of Mickey Baugh, who is professor of mule psychology and owner of a bakery, has gained a hundred pounds since our graduation.

Jeanette Pendergrass, Charlotte Ann Underwood and Nancy Marshall are now Navy nurses stationed on the island of Pango-Pango. This is very convenient since it happens that Tom, Dick and Harry, three good-looking servicemen, are also stationed there.

Melvyn Fowler has made a career of the Navy and he and Beth are still going steady. Approaching spinsterhood, Beth tells me that their 21st anniversary will be this coming September.

Gene Overton and Betty have never returned from their honeymoon in Nassau after fifteen years. Love must be wonderful.

Gloria Townsend is now coaching her own basketball team. For the past three years her greatest rival has been the team coached by a certain Mr. Frank Warren.

Darryl Rhodes, the great philosopher, whom we all remember for the advice he gave out for nothing, is still giving advice. Now he gets paid for it. He's writing advice to the lovelorn column in the local paper. Darryl should know, after having had five wives.

After spending years being torn between admirers at V. H. S. and Randolph-Macon Woman's College, Tommy Ward decided to give it all up. For the past six weeks he has been running the following ad in the local paper: "Lonely school teacher wishes to correspond with lonely widow, preferably one under 30--if rich, age doesn't matter."

Lynn Adams has just been appointed special assistant to the Mayor of Nutbush to investigate alleged "fix" in the kindergarden tiddlywinks tournament.

Hugh Wallace is now the dancing instructor at Wilmot's Boarding School for girls.

Edward Wallace finally broke down and made up with Betty. They are now the proud parents of 5 boys.

Nancy and Howard are happily married and Nancy is helping support their small family of a baker's dozen by driving a taxi cab in Alaska while Howard is football coach at the University of Juneau.

Carol Lenz, now the wife of Ward Yearling, is on broadway working as wardrobe mistress for Brigette Bardot.

Hannah Rea is still an admirer of horses and Dudes. She and her husband Dude Seamster have just gotten a patent on a saddle equipped with a horn for use in heavy traffic.

Jewel Adams is now Jewel Queensberry and is happily making her home overlooking Lunenburg Beach.

Franklin Hanks has finally realized his life's ambition. He's replaced Ted Williams on the Boston's Red Sox line-up.

Reginald Dix is now a cattle baron in Texas. He's got a slight problem - it seems he keeps drilling for water but all he can dig up is oil.

Wayne Epperson and Pat finally took over Leggetts Dept. Stores. They are now known as Epperson's Variety Stores.

Mickey Magnusson is still fishing--but for what!

Jimmie Fourqurean is now the leader of the biggest and most popular big band in the United States.

Vandy Amos is now head mechanic of Ford Motor Company.

Maynard Thompson has made a million dollars since our graduation day. How he made it is what the D. A. would like to know.

Bonnie Underwood graduated from Longwood after many years of diligent work and is now Mrs. Paul Robertson. Her first book has just been published--"Nonsense Sayings for all Occasions."

Herbert Gilmer is now the world's champion pool shot.

Janet Duncan spent years trying to find a job as a nightclub singer but had to accept the starting job of cigarette girl.

Janie Tolley has a job on one of the few "straight" T. V. shows. Janie may not be much on facts but golly what a figure!

Shirley Dunnavant has lived up to everyone's expectations. She's still in Longwood trying desperately to get enough education to become a school teacher.

Nancy Bigger is so happily married that she wanted to extend her methods to all the lonely, so she is now Secretary for her own Betty Bly column.

Campbell Hardy is now sheriff of Lunenburg County and is still speeding, but now he is doing it legally.

Also, at our reunion was Miss Copley and Mr. Button, our Senior Class Sponsors.

Miss Copley is founder of Copley's Finishing School for girls.

Mr. Button is still principal of VHS, and through his efforts, the school has improved each year.

Yes, it's unbelievable to think that our small class could have changed so much in just twenty years.
